The Inside Scoop!

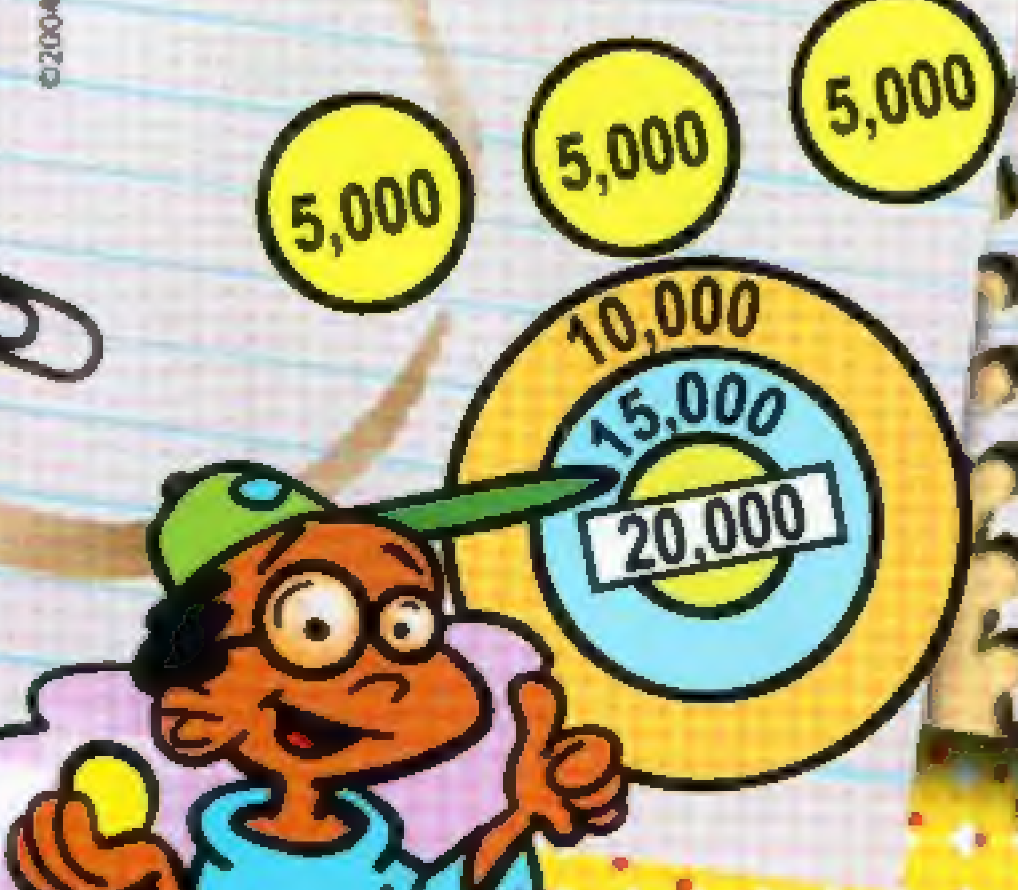

GAME TIPS!

Chuck E. has some cool tips to help you get HIGHER SCORES!!

SKEE BALL®

In many ~~ski~~ SKEE BALL games, the corner buckets are 2X the amount of points of the next highest bucket.

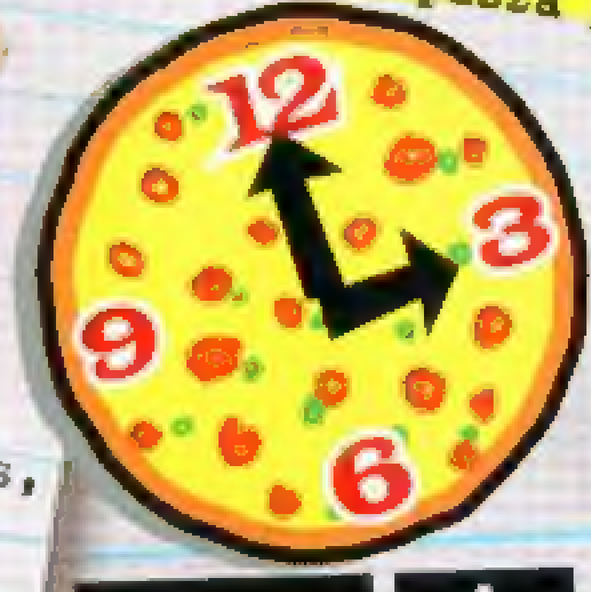

Warning... If your ~~arm~~ aim isn't on, you could end up with the lowest score!!

SMOKIN' TOKEN™

This game is all about timing! Let ~~goo~~ go of your token when the number space you want hits the 3 o'clock position.

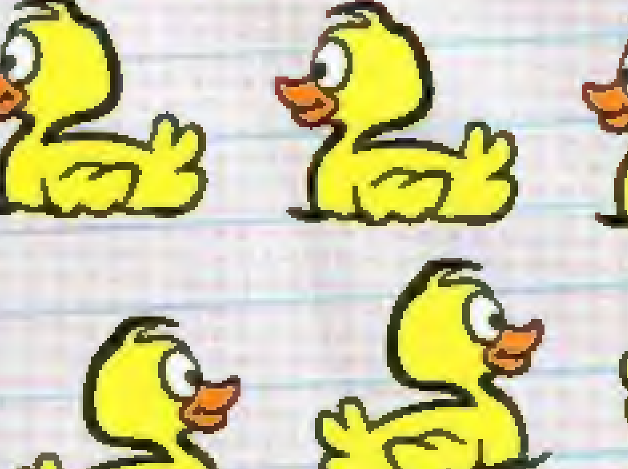

It's easy as pizza pie!

CHUCK E.'S DUCKIES

The trigger button is not ~~quack~~ quick enough to hit every duck. Score big time by aiming at every other duck!

How cool is that?!
